Annual Meeting – Brenda H and Susan R. have decided to plan the Annual meeting and they will get back to us in December with the date and plan for the event.

Quasquicentennial celebration in 2017/Pioneer Days – We will have a Quasquicentennial Birthday Party on January 12th because this is the date Milford became a town. We continue to have meetings to plan the event and really need help and ideas. Meetings are every Tuesday evening at 6:30, the location is the Milford Community Building.

Good of the order: Jennifer Y brought up the planters that were decorated with Gourds and Pumpkins, and then Lynnette went around and asked every business to pay toward them, she wondered if this was included in the bids that are submitted in the spring. We told her No, this was something extra Lynnette just did. Lynnette said that everything she received from this will go back toward our Quasquicentennial celebration. Discussion was then made that possible we should just see if the businesses want to sponsor the planters instead of us overseeing this. We will put it on the agenda for February to discuss.

Winter Games got brought up: We needed to decide by December if we plan to do anything to contribute to Winter games.

Adjourn 1st Beth S, 2nd Jackie B

Next meeting is the December 8th.
