They put on a Customer Service Seminar, they are looking for donations for the Fireworks. August 18-20 they have Boji Bike Rally. They are looking for sponsors for that event if anyone is interested.

**Other Reports:**

1. 2017 Members – There is currently 97 members. In 2016 on this month we had 87 members. Dawn passed around the list of members and those that have not paid for this year. We encourage help to try and get new members and if you know of a new business please let Dawn know or reach out and see if they would like to be a member.
2. Planters- Roger said everything is planned and they could use to be watered every 3<sup>rd</sup> say. They need a lot of water to stay healthy. If anyone sees a place in Milford that could use plants, like an empty planter to let them know, they will plant flowers to make it look nice for our big celebration.
3. Pioneer Days/Quasquicentennial Celebration in July: Lots of Volunteers are needed! We got the posters delivered around and the flyers. If anyone wants a flyer or Poster let us know.. We got the Boulevard Banners for our 28 light poles and they were put up. We continue to meet as a big group weekly and with our small groups whenever scheduled. It is not too late to help. If you are interested we do need help with planning and will need a lot of volunteers for the events. A sign up Genius has been set up to help organize the volunteers needed. Please ask co-workers, Friends, Family if they would like to volunteer an hour or 2 the week of our celebration to help.
4. Caring Committee- Georgia passed away and she was and made up the Caring Committee. She would find out if someone was sick or passed away and she would either send a card or she would bring a card to our meeting for everyone to sign and get out. She has big shoes to fill but if anyone would like to join together and form a Caring committee we are looking for help.
5. Good of the Order:

Brenda Jones from Transition Homes spoke a little bit about the business she represents. They just joined and are our newest member.
