Pioneer Days Planning: Inflatables; It was mentioned that we are having problems getting volunteers to help with the inflatables. We even reached out to several non profits and they were unable to get volunteers. The pioneer day committee decided to pay to have the company work the Inflatables. We need to provide the Ridge Runners with a truck load of cut wood and a couple round bales. Chris volunteered to cut the wood with his brother in law. No one offered to help with the round bales, the Pioneer Day Committee will check into it. Need Volunteers! The BBQ starts prior to the parade finishing if anyone can come and help.
