1. 2017 Members – There is currently 103 members. Newest member is Kona Ice. Dawn passed around the list of members and those that have not paid for this year. We encourage help to try and get new members and if you know of a new business please let Dawn know or reach out and see if they would like to be a member.
2. Pioneer Days/Quasquicentennial Celebration in July: Lots of Volunteers are needed! We continue to meet as a big group weekly and with our small groups whenever scheduled. It is not too late to help. If you are interested we do need help with planning and will need a lot of volunteers for the events. A sign up Genius has been set up to help organize the volunteers needed. Please ask co-workers, Friends, Family if they would like to volunteer an hour or 2 the week of our celebration to help. It was mentioned that we are having several food competitions and Susan brought up we should have an Nurse or someone with CPR experience available in case there is a problem. Dawn will reach out to someone.
3. Caring Committee- We do not have anyone to help with the Caring Committee, if someone is interested we would like help.
4. Good of the Order:

Discussed Planters and making town look the best. We need to find out who owns which planters, there are some planters that we own, some the city owns and some the business owners own. The NW Bank planter is hidden so it doesn't do much for helping our community look good unless someone is going thru the drive thru, may need to move it. Dynos corner we should get matching planters.

Adjourn Beth S 1st Susan R 2nd, Motion Passed

Next meeting is Aug 10th.
