Meeting was called by Dawn Powell at 12:05

Introduction of members present

**Secretary's Report:** Was emailed out. Tom made a motion to approve and 2<sup>nd</sup> by Nick; Passed

**Treasurer's Report:** Will be available next month

**Chamber of Commerce Report:** Walleye Weekend, Blue Zones, Chamber Retreat, Business After 5

### Regular Business:

Kansas City BBQ Society Judging: Nick spoke on this. Went through judging process and explained how it works. Not sure if this would be a good fit in the future for Pioneer Days but good to know how it works.

Pioneer Days: Meetings are starting on every Tuesday from 4:30 - 5:30 at St. Joseph's catholic church. Need a volunteer to step up and head the 5K. Responsibilities would be gathering registrations, getting the shirts put together and organized, map the run, etc. BBQ on Saturday after the parade. At Florence Park, need to organize and help with it, help will be available but need someone to lead it. Beer Garden was discussed. 2 bars involved (Mill Creek/Scoreboard) Mill Creek would do food and pizza and Scoreboard would be in charge of the beer. Other bars can still be a part if wanted. Possible location is south of Scoreboard in Church Parking lot.

Friday Night Social: This week it will be at The Pub (4/12/12).

Membership Committee Sign Up: Needed someone to spearhead committee. Dan Ray stepped up and volunteered to spearhead it! Expressed needed a brochure or something and organizing a group to talk to businesses.

2013 Membership dues: Regular Networking Coffee dates are terminated now but if anyone would like to host an event or networking idea please let us know!

Announcements: City got \$250,000 grant for 8 housing rehabs on the SE side of town. Reading Program is corrected that it is on Tuesdays instead of Fridays in the summer.

Pioneer Parents Script Program - Dawn had the idea for the Milford Commercial Club to use the Milford Bucks as part of the script program. Tom motioned to vote on moving forward with this at our next meeting. The motion was for the Milford Commercial Club to give 10% of \$5000 in Milford Bucks sold through the Script program back to the school. This would be per calendar year. Milford Commercial Club would not pay more than \$500 to the Script Program in one calendar year.

**Adjourn:** Georgia made the motion, Sue seconded.
