May 2022

Fellow Local Business Owners and Supporters,

We have begun planning our 54th annual Pioneer Days weekend and we would like your help. We are in need of, sponsors for both new and returning events, and lots and lots of volunteers. We can offer you many ways to show your customers that, in addition to operating your local business, you are also community-minded. One way would be to financially support one of our events which would mean your business would be identified as the event sponsor. Another way would be to volunteer to help with an event and wear your business attire/logo for all to see that you are supporting the community.

We can't stress enough; Financial AND Volunteer support helps shape the schedule and ultimately determines the success of Pioneer Days Weekend. The same business does not have to provide both types of sponsorships. Please consider helping us in some way this year. All monies and prizes donated will go to offset the expenses for Pioneer Days. If you are willing to financially support and/or volunteer for one of our events, please complete and return the attached Sponsorship/Donation Form by Friday, June 10<sup>th</sup>, to allow us time to meet our print deadlines.

The motto of the MCC is "Working Together to make Milford a better place" Please help us do that with your monetary and volunteer donations .Please consider joining us for part or all of our 54<sup>th</sup> Annual Pioneer Days weekend (July 22-24<sup>th</sup>)! Thank you in advance for considering this request.

Thank you,

*Lauren Rosacker & Susan Reiser*
