Local Business Owners and Supporters,

We have begun planning our 55th annual Pioneer Days weekend and we would like your help. We are in need of sponsors for both new and returning events and lots and lots of volunteers. Showing your support also shows your customers that in addition to operating your local business, you are community-minded. One way would be to financially support one of the events in turn showcasing your business as the event sponsor. Another opportunity would be for your organization to volunteer to help with an event and wear your business attire/logo for all to see you supporting our community.

We can't stress enough; financial AND volunteer support helps shape the schedule and ultimately determines the success of Pioneer Days Weekend. The same business does not have to provide both types of sponsorships. Please consider helping us in some way this year. All monies and prizes donated will go to offset the expenses for Pioneer Days. If you are willing to financially support and/or volunteer for one of the events, please complete and return the attached Sponsorship/Donation Form by Friday, June 2nd, to allow us time to meet our print deadlines.

The motto of the MCC is "Working Together to make Milford a better place" and we look forward to joining together as businesses and individuals to make this a reality! Please consider joining us for part or all of our 55th Annual Pioneer Days weekend (July 21-23)!

Thank you in advance for your partnership!

Thank you,
Milford Pioneer Days Committee
